Dear Don

After speaking with you at the end of the meeting, you mentioned my objection to MSA, probably referring to an article in the Queensland Country Life where I was quoted as saying thrash MSA. I never mentioned MSA in the whole interview with Brad Cooper.

We asked for a retraction from QCL and it did not get published. Attached is a copy of that retraction.

\$100m has been quoted as being spent on MSA. Could you by return email send the actual amount which has been spent and exactly who got how much money and for what?

Yours sincerely
