Newsletter 26 March 2010

To date, Tony Burke has not formally approved the \$1.50 additional levy remaining in place. As we witnessed with Mr Burke's decision reversal on the BSE meat into Australia now requiring an Import Risk Analysis, enough pressure from enough people, can assist Mr Burke to make the correct decision.

His contact details can be found on our website, www.bindareebeef.com.au, so I urge everyone to once again, get in touch with Mr Burke and register your complaint. We can halt the additional \$1.50 remaining if everyone acts.
